

Bryn School Llanelli

This power point contains lots of breath taking information about this pulchritudinous school (ENJOY !)

The School !

Bryn school is located in a very small but perfect area called Llanelli. The school is a brand new construction and well equipped with lots of touch screen things including P.E mats, Footballs and hula hoops. They are gigantic!. The Headmaster is called Mr Martin Morgan, he does a fantastic job at running the school and giving the children the best education and chances they can possibly have. The deputy head teacher is named Mr Chris Potter he loves to chat to the children and help run the school along with the head teacher in the best way he possibly can. There are a total of eight humongous classes from nursery to year six, all the children have fun and enjoy their lessons.

The staff

The staff are very well trained and eager to help the children in every possible way they can. They are approachable and like to reach their targets to help the children learn and have fun. They all like to go on exciting trips and learn because they do think that learning is extraordinary and helps stimulate minds.
