Mini me: **Would you like to help us?**

*(All the children nod their heads in agreement looking really excited)*

Doctor:**So... all of time and space, everything that ever happened or ever will – where do you want to start?**

Tejay: **Oh! Look, it is Mr Potter, he is the deputy head of Bryn.**

Mr Potter: *(Looking confused and bewildered - not much different than usual stumbles upon the children)* **Oh hello children, I did not know you were coming today?**

Everyone: **Bore da Mr Potter!**

Mikeali: **No sir, these are our new friends THE DOCTOR and MINi ME and we are telling them all about the work we have been doing.**

Mr Potter: **Oh lovely but I can not stop as I seem to have lost my class again, they may be hiding in the head's office like last time.**

*(Mr Potter rushes off)*

Lottie: **Aha! I have an idea. How about we go to Llanelli railway bridge in 1911 and tell you what happened.**

Doctor: **What a good idea, lets hope the Wibbly, Wobbly, Timey, Wimey... stuff works.**

Mini Me: **Come on all of you, back in the TARDIS then.**

*(All go back in the TARDIS and travel in space again - they arrive at the railway bridge in 1911)*

*(In the background all can hear shouting)*

Mini me: **Oh! What is going on here, there is a lot of shouting?**

Joe: **This is the Llanelli Railway Riots**

Lottie: **It looks like we have arrived in the middle of it.**

*(From the right comes two railway workers looking very scared and agitated - Alex and Harvey J)*

Alex: **Oh! If I was ew, I wouldn't go down there.**

Doctor: **Well sir, what's occurring down there?**

Alex: **Well, see, its like this, us railway workers are not getting paid enough and we are not happy as the government will not listen so we decided to block the trains from passing through the town.**

Harvey: **Yeah but the management sent in the troops so now its murder down there and nobody is listening.**

Doctor: **We 'd better move, as I wouldn't want to get into trouble with your headteacher if one of you got hurt.**

Mini me: **Good luck men, come on everyone, in the TARDIS.**

*(All get in TARDIS)*

Doctor: **Phew! That was close. I hope our next stop is less dangerous, where to now?**

Crystal: **That was scary!**

Ethan: **mmmm! A quieter place then, how about we go back to Clydach 100 years ago and see if we can meet my great grandmother and great grandfather?**

Tejay: **An excellent idea!**

Doctor: **Ok - Allons-y!**

*(All enter the TARDIS and travel to Clydach in 1913, they arrive in a terraced miners cottage - Finley and Corban)*

Doctor: **ow! This is a bit of a tight squeeze,I CAN'T BELIEVE IT! Its actually SMALLER on the inside!**

Corben: **well, I've 'eard it all now, travelling! better than a twelve 'our shift down that pit. Oh, poor Dai brown boots, had a bit of an accident today, he was cutting coal today in a narrow seam and the pit prop cracked. He ran as quick as he could but his leg got caught, it's touch and go. You'll have to go 'round after and see Gladys and see if she's alright after.**

*(A knock at the door - enters Keira)*

Kiera: **Oh afternoon all, you are never gonna guess whats 'appened down in Railway? Mrs Farr has just had a baby boy, two weeks early. They are gonna name him Thomas George Farr.**

Lottie: **Wow! She must mean Tommy Farr, the famous Clydach boxer who was one of the most famous Welsh and British boxers of all time. He was born in Clydach Vale, Wales and nicknamed "the Tonypandy Terror", he became British and Empire heavyweight champion on 15 March 1937. He would have been born 100 years ago this year.**

Doctor: **Well the heat from the coal fire is sending me into meltdown. I think its time to leave, poor mini me is half asleep!**

Mini Doctor: **WWWhat?**

Mikeali: **Yes I think we need to travel on. How about we go to Llanelli rugby club?**

Ethan: **Well, this doesn't seem to be Llanelli Rugby club.**

Doctor: **Correctamundo!...a word I have never used before and hopefully never will again.**

Boy: **Where's my mummy?**

Dalek Sec:**The Daleks must evolve. Evolve! EVOLVE!**

Dalek: **Exterminate!**

Doctor: **Geronimo! Run for your life.**

*(All run back to the TARDIS - clip will be put into slow motion. The group arrive in Llanelli Rugby Club all out of breath - the sound of Sospan Bach being sang can be heard in the background)*

Tejay: **That was close!**

Lottie: **We are at Llanelli Rugby Club now aren't we ? Not some galactic bar on the planet Skaro?**

Doctor: **Well, they look a little strange but I am sure these are rugby players not aliens from Poosh.**

*(Enter three famous Llanelli rugby players Ray Gravell, Phil Bennett and Ieuan Evans talking)*

Phil: **Oh boys look at these, they just came out of that posh box!**

Ray: **Well, they are definitely not from around here are, not wearing clothes like that!**

Doctor: **Well hello gentlemen, we are travellers, I am the doctor and have come to find out all about Llanelli Rugby club.**

Ieuan: **Well, that's smashing. Well you are in luck because you have three of the greatest rugby players, who has ever played for Llanelli. This is Ray Gravell, who earned 23 caps for Wales. Here we have Phil Bennett, 29 caps for Wales and I am Ieuan Evans, 72 caps to my name.**

Mini me: **Wow what a distinguished crowd we have here.**

Phil: **Oh! Look here comes Max Boyce.**

Ieuan: **Alright Max, shmae.**

Max: **Shmae boys, just written a poem about Llanelli beating the All Blacks 9-3 do you want to 'ear it?**

Ray: **Aye, come on Max, give these youngsters a bit of Llanelli humour.**

*Max:*

**Tw'as on a dark and dismal day in a week that had seen rain,  
When all roads led to Stradey Park with the All Blacks here again,  
they poured down from the valleys, they came from far and wide,  
There were 50,000 in the ground and me and Dai outside.**

**The shops were closed like Sunday and the streets were silent still,  
And those who chose to stay away were either dead or ill,  
But those who went to Stradey park will remember till they die,  
How New Zealand Were defeated and how the pubs ran dry.**

**Oh the beer flowed at Stradey, piped down from Felinfoel,  
And the hands that held the glasses high were strong from steel and coal,  
the air was filled with singing and I heard a grown man cry,  
Not because we'd won but because the pubs ran dry.**

**Then dawned the morning after, on empty factories,  
But we were still at Stradey, bloodshot absentees,  
But we all had doctors papers and they all said just the same,  
that we all had Scarlet fever and we caught it at the game.**

**Now all the little babies in Llanelli from now on,**

**Will be Christened Roy or Carwyn, Derek, Delme Phil or John,  
And in a hundred years from now they'll sing a song for me,  
About that day the scoreboard read Llanelli 9- Seland Newydd 3.**

**And when i grow old, my hair turns grey and they put me in a chair,  
I'll tell my great grandchildren that their Datcu was there.  
And they'll ask to hear the story of that dark October day,  
When I went down to Stradey park and I saw the Scarlets play**

**Phil: Fair play Max, another corker.**

**Ray: Well time to go now boys, wife is expecting me for tea at 4.**

**Phil: Nice to meet you doctor and your friends.**

**leaun: We hope Max has helped you learn something about Llanelli Rugby Club?**

**Doctor: Oh yes! Well time we were off too! Goodbye friends.**

**Lottie: That was interesting, where to now?**

**Ethan: Well, I think its about time we looked at Clydach in 1911 because we are similar in many ways to Llanelli.**

**Doctor: Good idea Ethan. Lets go back in time.**

*(Doctor and gang enter the TARDIS. TARDIS lands in Tonypandy in a crowd)*

**Doctor: Oh! Looks like we have landed at the wrong time!**

**Mini me: Again!**

**Crystal: Well, looks like we have arrived in the middle of the Tonypandy Riots.**

**Tejay: Look, they have started to loot the shops.**

**Joe: They are heading for the Powerhouse. I hope the horses are safe as they are still underground.**

**Mini me: Well I'm not being funny but I'm only small and I think this crowd might squash me. Can we go?**

**Doctor: Yes I think it might be safer if we did. Back to the TARDIS.**

*(All enter the TARDIS, and arrive in Cambrian Wheel Memorial, present day Clydach.)*

**Lottie: Well, we are back home now, this is the Cambrian memorial Wheel which honours the miners of the past.**

**Doctor: Well, I have learnt a great deal about Clydach and Llanelli. Thank you very much for your help. They were right your school is definitely the place to be.**

Ethan: **Thank you Doctor and mini me. We have loved traveling with you.**

Doctor: **Well, I will be back if you agree to travel again with me?**

Mini me: **and me!**

All: **Oh yes!**

*(Mini me and Doctor begins to go into the TARDIS)*

Doctor: **I just want to say, you were fantastic. And you know what?**

*(Turn around)*

Doctor: **So was I!**

*(Smiles at camera)*
